

PUBLIC NOTICE

In accordance with the National Environmental Policy Act, the United States Space Force offers for public comment the Draft Finding of No Significant Impact (FONSI) for the Army and Navy's Joint Flight Campaign (JFC) launch activities at Cape Canaveral Space Force Station (CCSFS), Florida. The basis for the FONSI determination by SLD 45 is the Army and Navy's *Final EA for the Joint Flight Campaign (JFC) Programmatic Environmental Assessment/Overseas Environmental Assessment (PEA/OEA)*, February 2022. The EA assessed potential impacts to airspace, water resources, geological resources, land use, noise, socioeconomics, environmental justice, aesthetics/ visual resources, marine sediments, air quality, cultural resources, biological resources, public health and safety, hazardous materials and wastes, infrastructure, and transportation resources.

The public is invited to review and provide comments on the Draft FONSI and EA for 30 days from the publication of this notice Thursday, 19 May 2022. The documents are available online at <https://www.patrick.spaceforce.mil/Resources/Environmental/>, and hard copies are available at the Cocoa Beach, Satellite Beach, Melbourne, Patrick SFB, and Suntree/Viera Public Libraries. The public may submit written comments to Ms. Taylor Janise, 45 CES/CEIE, 1224 Jupiter Street, Mail Stop 9125, Patrick Space Force Base, Florida 32925, or email to taylor.janise.1@spaceforce.mil. NOTE: Comments must be provided in the body of the email and not as a separate attachment or link. Emails containing attachments or links will be discarded and not considered.
