Training Exercise planned at Malabar Annex November 12-17 2024

Patrick Space Force Base, Florida – Florida Tech Army Reserve Officer's Training Corps will use Malabar Training Annex from 13-17 NOV 24 for the Fall 2024 Field Training Exercise using blank ammunition, from 6:00 AM to 10:00 PM.

During the training exercise, the unit plans to utilize a few assets from Explosive Ordnance Disposal (EOD), which will create small explosions and simulate the noise of live gun fire. Residents should not be alarmed.

Part of the training includes 90 Cadets practicing reconnaissance, raids, ambushes, patrols, land navigation, rope bridge construction, and physical fitness.

If you receive questions from residents, contact the Space Launch Delta 45 Public Affairs Office at 321-494-5933 or email SLD45.PA.PublicAffairs@spaceforce.mil

Space Launch Delta 45 is the World's Premier Gateway to Space. Based at Patrick Space Force Base in Florida, Space Launch Delta 45 operates the Eastern Range and provides safety and mission assurance for all rocket launches from Cape Canaveral Space Force Station and NASA's Kennedy Space Center.
