

# Space Launch Delta 45 Prime Contractors Small Business Subcontracting Opportunities

## Space Force Range Contract (SFRC)

**Amentum Technology, Inc.** (Large Business)

Randy Lycans, (256) 716-4649 / [randy.lycans@us.amentum.com](mailto:randy.lycans@us.amentum.com) / Tullahoma, TN

The purpose of the Space Force Range Contract (SFRC) is to advance the national capability for Assured Access To Space (AATS) from the Eastern and Western Ranges through responsive and flexible operations, maintenance, sustainment, systems engineering and integration services

## Safety Hazard Analysis and Risk Processing System (SHARP II)

**ARCTOS Technology Solutions, LLC** (Small Business)

Fred Lacey (937) 559-6830 / [fred.lacey@arctos-us.com](mailto:fred.lacey@arctos-us.com) / Beaver Creek, OH

Provides the technical support required to augment and operationally implement the comprehensive safety program of the 45 SW as it pertains to the use of Flight & Risk Analysis software models.

## Pad Safety Support Contract (PSSC II)

**Metis Technology Partners (MTP)** (Joint Venture Protégé Small Business)

Joy Colucci, (505) 705-3065 / [joy.colucci@metis-tech.com](mailto:joy.colucci@metis-tech.com) / Albuquerque, NM

Oversight of pad safety operations, including ordnance, liquid and solid propellants, cryogenics, radiological materials, high-pressure systems, critical handling equipment, launches

## Instrumentation Radar Support Program (IRSP) III

**BAE Systems Technology Solutions & Services Inc.** (Large Business)

Diane Dempsey, (703) 563-7991 / [smallbusinessIS@baesystems.com](mailto:smallbusinessIS@baesystems.com) / Rockville, MD

Logistics sustainment support to instrumentation tracking systems e.g. radar, telemetry, optics, flight termination systems, global positioning system, and data acquisition systems for test ranges worldwide to include warehousing, requisitions, fabrication, overhauls and engineering support

## The Advancement of the Next-gen Operational Spaceports (THANOS)

**OES-Pond JV II, LLC** (8(a) – Tribal Owned Corporation)

Crystal Donaghue, J.D., (505) 379-4586 / [cdonaghue@oescgoup.com](mailto:cdonaghue@oescgoup.com) / Milwaukee, WI

Provide services for program management, program development, program briefing, project management, engineering programming, environmental analysis, environmental compliance, engineering studies and review

## Cape Launch Operations Infrastructure and Support III (CLOIS III)

**NetCentric Technology, LLC** (Alaskan Native Corp)

Beverly Neurock, (321) 853-3230 / [BNEUROCK@asrcfederal.com](mailto:BNEUROCK@asrcfederal.com) / Neptune, NJ

Provides Operations, Maintenance and Engineering services associated with all Space Force Station facilities, critical launch facilities, payload processing, Ordnance and Mission critical support

## *Space Launch Delta 45 Subcontracting Opportunities, cont'd p. 2*

### **Eastern Western Operational Communications Services (EWOCS) Support**

#### **Full Spectrum Operations, LLC** (Small Business – Joint Venture)

John Schleifer, (703) 789-4481 / [john.schleifer@acommsolutions.com](mailto:john.schleifer@acommsolutions.com) / Fairfax Station, VA  
Provides communication systems maintenance, operations, and support services to the SLD 45, SLD 30, and Mission Defense Agency for voice, video, data, and infrastructure yielding a robust communications capability for a wide range of customers in a dynamic launch environment

### **Base Visual Information Services**

#### **Kreative Marketing Strategies, Inc.** (8(a))

Kyla Gordon, (954) 433-3515 / [kyla@km-strategies.com](mailto:kyla@km-strategies.com) / Miami, FL  
Operation of Base Visual Information Services and video tele-conference center operations

### **Fire Protection, Emergency Management & Emergency Medical Services (FEMS) IV**

#### **Chengega Security California Corporation** (8(a))

Harrison Reif, (703) 213-5609 / [harrison.reif@chenega.us](mailto:harrison.reif@chenega.us) /Chantilly, VA 20151  
Fire, Emergency and Medical Services at Space Force Station

### **Grounds Maintenance (Patrick Space Force Base)**

#### **Roberts Treescaping, LLC** (Small Business)

Tina Tucker, (303) 366,1463 / [tina.tucker@rtscaping.com](mailto:tina.tucker@rtscaping.com) /Aurora, CO  
Grounds maintenance and landscaping services to include xeriscaping, tree trimming and weed control services at Patrick Space Force Base

### **Ground Maintenance (Cape Canaveral Space Force Station)**

#### **PRIDE Industries** (Large Business)

Lorrie Everitt, (916) 788-2350 / [everitt@prideindustries.com](mailto:everitt@prideindustries.com)/Roseville, CA  
Grounds maintenance and landscaping services to include xeriscaping, tree trimming and weed control services at Cape Canaveral Space Force Station

### **Simplified Acquisition of Base Engineering Requirement - SABER (CCSFS)**

#### **Anderson Place Construction** (8(a))

John Henderson, (407) 509-91187 / [john@ap-const.com](mailto:john@ap-const.com) / Orlando, FL  
Design, construction, maintenance, repair; electrical, mechanical, heating, air conditioning, structural, paving, landscaping, painting, roofing, plumbing, asbestos/lead paint removal at Space Force Station

### **Mini Simplified Acquisition of Base Engineering Requirement - SABER (PSFB)**

#### **AJCE - LEE JOINT VENTURE LLC** (8(a))

Anthony Cisneros, (786) 399-7813 / [acisneros3089@gmail.com](mailto:acisneros3089@gmail.com) / Miami, FL  
Design, construction, maintenance, repair; electrical, mechanical, heating, air conditioning, structural, paving, landscaping, painting, roofing, plumbing, asbestos/lead paint removal at Space Force Base

*Space Launch Delta 45 Subcontracting Opportunities, cont'd p. 3*

**Space Coast Multiple Award Construction Contract - SCMACC (PSFB-CCSFS)**

Provide all materials, equipment, transportation, and personnel necessary to manage and accomplish various design-bid, build /design-build services up to 100%, and maintenance, repair and minor construction work.

**ABBA (Small Business-Veteran Owned)**

Mack E. Reifers, (904)-838-1672 / [mreifers@abbaconstruction.com](mailto:mreifers@abbaconstruction.com) / Jacksonville, FL

**APC Construction, LLC (Small Business-SDB/HUBZone)**

Jacque Ballay, (504)-539-4260 / [Jacque.ballay@apcconstruction.com](mailto:Jacque.ballay@apcconstruction.com) / Harvey, LA

**CORE ENGINEERING & CONSTRUCTION, INC. (Small Business/HUBZone)**

Paul Goldsmith, (407)-622-2673 / [pgoldsmith@core-encon.com](mailto:pgoldsmith@core-encon.com) / Winter Park, FL

**DOYON MANAGEMENT SERVICES, LLC (8(a))**

Anthony Wood, (443)-988-8669 / [Anthony.wood@doyongovgrp.com](mailto:Anthony.wood@doyongovgrp.com) / Fairborn, OH

**GENERAL MECH. CORP (ONEIDA) (Small Business-American Indian Owned/SDB)**

Jeff Stofiel, (414)-607-6768 / [jstofiel@oescgroup.com](mailto:jstofiel@oescgroup.com) / Daytona Beach, FL

**CCI UTILITY & CONSTRUCTION SERVICES, LLC (Small Business)**

Jeff Fryberger, (907) 388-6114 / [jfryberger@bbch-llc.com](mailto:jfryberger@bbch-llc.com) / Anchorage, AK

**MAVERICK CONSTRUCTORS, LLC (Small Business-Veteran Owned)**

Ralph Kennedy, (813)-964-5449 / [ralphk@mavcon.net](mailto:ralphk@mavcon.net) / Lutz, FL
